

ABUBAKAR ANSARI

Flutter &
Node.js Developer

ABOUT ME

I am a certified Flutter developer with **over 4 years of experience**, combining technical expertise with creative design skills. Proficient in Flutter's capabilities and up-to-date with design trends, I craft user-friendly and visually stunning mobile apps. I have worked on projects such as **DLF Thrive, Dettol Swasth Champ**, and **JobMinglr**, delivering high-quality solutions tailored to client needs. My track record of on-time, on-budget project delivery and effective cross-functional teamwork underscores my strong communication and project management abilities. As a coding enthusiast, I thrive on tackling complex design challenges and continuously pushing the boundaries of what Flutter can achieve.

VERSION_SENTRY

I created a Flutter package to streamline app updates by checking the latest versions, prompting updates, and retrieving release notes.
